

Dear Patient:

Out of an abundance of caution we are suspending chiropractic and physical therapy care for 1 week until March 30.

All of you have been given home exercise instruction along with ice/heat/TENS recommendations. If your symptomatology returns to the extent you cannot wait until March 30th call the office number (201) 387-2800 and we will call you back to arrange a time and date of treatment.

This will be done on a case by case basis in order to maximize safety to our patients and our staff. Thank you for your anticipated cooperation, if you have any questions, feel free to call me directly on my cell 201-240-3264.
